# Who We Are

We are a fast and efficient D2C order fulfilment center focusing on warehousing and distribution for customers ranging from start-ups to international organizations.

Our center is linked  with online platforms including Shopify, Amazon and TikTok Shop allowing your business streamlines the fulfillment process and ships orders to customers efficiently.

A tech-enabled 4PL organizing the shipping process to reduce shipping cost and speed up last mile delivery

A trusted partner with industry-leading facilities that will help you to scale your business & drive down costs.
